SW ADP1208C Perçuse pistolet

Mandrin automatique 13mm / 800 t/min

swepro SW ADP1208C - This powerful drill with 13 mm Jacobs® quick-action chuck has a robust aluminium housing with ergonomically shaped soft grip. Thanks to the optimised power/speed ratio, this drill is suitable for all industrial applications. The special features of this tool are the 2-stage trigger control, the direction switch (R/L) for the drill bits and the 360° rotatable air connection to prevent the air supply hose from twisting. The noise level has been significantly reduced thanks to double silencing. The quick-release chuck ensures that the drill bit can be changed quickly.

Spécifications techniques

Numéro de produit	786389
